Auditor's Report

We have examined the school and town records.

The results are contained here-in.

Respectfully submitted,

Yvette M. R. Bourassa
Arthur W. Knox, Sr.
Shirley A. Teer

TOWN OF CLARENDON

1983 Selectmen's Report

The Selectmen held 24 meetings, on the second and fourth Mondays of each month, beginning at 7:00 P.M. These meetings were, as always open to the public. The Selectmen encourage all interested parties to attend their meetings.

The Town received a deed for 20 acres of land which was negotiated with the Airport Industrial Park contract. This 20 acres of land is to be used for recreation area for the Town of Clarendon. The Rutland Industrial Development Corporation also deeded the Town of Clarendon an additional 2.2 acres plus or minus, which adjoins the Towns 20 acres.

The Highway department engaged in a ditch project on the Depot Hill Rd., T.H. 4, to drain excess water from the Church of the Latter Day Saints new church at the top of the hill. The project was partially paid for by the Church with the balance funded by the Town. Approximately one mile of T.H. 3, from Creek Road up Walker Mountain was paved this past year.

AS in YEARS PAST THE NON-PAYMENT OF PROPERTY TAXES is the LARGEST, SINGLE factor affecting the financial condition of the Town.

The Board of Selectmen feel that the Town of Clarendon is growing every year. In order for the Town to run smoothly on an every day basis, the Towns elected officials and other people working for the Town must work together. If this is done everyone's job will be a lot easier.

We encourage town's people to take an interest in your Town politics and to help out whenever possible.

Remember - Selectmen's Meetings - 2nd & 4th Monday - 7 P.M.
Planning Commission Meetings - 3rd Monday - 7 P.M.

Russell Carleton

Selectman, Chairman

TOWN OF CLARENDON

Clarendon Volunteer Fire Department

In October 1983 the Clarendon Volunteer Fire Department celebrated its 20th Anniversary. Looking back we find that many so-called impossibilities and many dreams have been fulfilled, and a much brighter future to look forward to than in 1963, when we struggled to get \$600.00 to purchase our first truck. It is because of a great deal of effort and sacrifices by many of our men, women and their families that we have so proudly been able to reach and stand on the plateau we are on today.

During 1983 we purchased 4 new Air Packs, repainted our Mack Pumper, purchased 500 feet of 1½ inch hose, purchased and installed two electric door openers in our North Clarendon Station, updated our electrical wiring in the North Clarendon Station and paved the entrance to the Chippenhook Station.

Fund raising activities netted the department \$27,700.00. Included in these activities were; - Weekly Bingo, Annual Auction, Grandstand work at the Rutland Fair, Suppers, Retirement parties and benefits held for our support.

We again in '83 participated in the Rutland Loyalth Day Parade, Chittendon County Muster and the Annual Vermont State Firefighters Convention held in Bennington. At the State Fire Convention we were awarded the "Best Appearing Fire Tanker Truck" in the state and 2nd place for the "Best Appearing Marching Unit" with equipment in the state, plus other trophies.

Our fire training other than departmental included: - Rutland County Regional School, Norwich Fire Academy, Addison County Regional School, Bennington County Regional School and instructional school in Burlington and a 45 hour Vermont State sponsored training school in Clarendon.

During 1983 we received 43 fire calls and they are as follows:-

House Fires	5	Electrical Fires	5
Car & Truck Fires	2	Barn Fires	1
Grass Fires	10	Plane Rescue	1
Chimney Fires	11	Other	2
Mobile Home Fires	3	False Alarms	2
Business Fires	1		
Mutual Aid calls out of town	5		
Mutual Aid calls in town	2		

As a final word to our Firemen, Auxiliary and Townspeople we sincerely wish to express our thanks for your fine support in the past and look forward to a continued supportive attitude in the future.

Sincerely,
Al Ridlon, Chief
Stuart Blacklock, President

TOWN OF CLARENDON

Clarendon Fire Association Auxiliary

In 1983 the Clarendon Fire Association Auxiliary had twenty-five members.

Again this year we were busy with fund raising projects to support the Fire Department. The projects were: a tasting supper, supper for Eastern Breeders Association, serving for Stage 40 banquet, refreshments and Rummage Sale at annual Auction, helping men on the Grandstand, a retirement party, a retirement supper, Bazaar and Food sale, Booster Club and weekly Bingo refreshments.

We participated in the annual Firefighters Convention parade and games. Our members brought home one parade trophy and three game trophies.

In October we turned over \$5,400.00 to the men. We are using some of our money to put down a new floor upstairs at the firehouse.

At our December meeting we had a balance of \$5,959.05. Officers elected for 1984 were: President, Joyce Pedrone
Vice President, Phyllis White
Secretary, Bev Brown
Treasurer, Jean Murray

We extend sincere gratitude to the townspeople for their continued support. Our meetings are held at the North Clarendon Station at 8:00 P.M., on the second Monday of each month. We welcome any one who would like to attend.

Respectfully submitted,

Joyce Pedrone, President

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

ANNUAL REPORT 1983

To: The Board of Selectmen and Citizens of the Town of Clarendon.

Home visiting and caring for people have been part of the VNA tradition for 37 years. Our health programs provide many needed services to your community. More and more people wish to stay at home during illness due to rising costs and a strong wish to be in their own familiar surroundings. We can help make that possible.

The direct services provided for your residents are as follows:-

Unduplicated patients	38
	<u>Visits</u>
Skilled Nursing Care	288
Home Health Aide	237
Physical Therapy	132
Occupational Therapy	-
Homemaker	88
Prenatal Couples	12

We have continued to work closely with the hospital, nursing homes, State Public Health, Office on Aging, and all other health related organizations in order to provide quality coordinated care.

More and more demands are being put on our agency with the increased federal mandates that are encouraging home care versus institutionalization. As your Home Health Visiting Nurse Association, we will do our best to provide as many services to meet these needs within our financial constraints.

If you need our help, call 775-0568 in Rutland, if you need health care at home, we are just a phone call away.

It is a pleasure to serve you and we look forward to another busy year.

Executive Director
Evelyn Doyle

TOWN OF CLARENDON

Zoning Administrator

During 1983 there were 88 zoning applications received in Clarendon. Permits were issued for the following:

New Homes	19
Mobile Homes	11
Commercial Buildings	6
Residential Garages	6
Barns	5
Shed	1
Residential Garages converted to Commercial use.	4
Several additions.	

Zoning Administrator
Edna Ingalls

TOWN OF CLARENDON

Health Officer's Report

As Health Officer, I wish to again express the appreciation of the Clarendon Health Board for the cooperation and assistance received this year from the town officers and Clarendon's citizens in our efforts to protect the public health.

During 1983, the following health related matters were handled:-

- 21 New Septic systems approved (2 new systems still have approval pending)
- 6 Corrected existing Septic systems approved.
 - *it should be noted that the Clarendon Health Regulations require a sewage permit, available at the Town Hall, for all new Septic systems or for any alterations to an existing systems.
- 5 Animal bites reported
- 50 Boil water notices issued (problem corrected)
 - Numerous Water supplies tested at the request of the owner.

Robert Harrison

RUTLAND REGIONAL COMMISSION

ANNUAL REPORT 1983

The Rutland Regional Commission traditionally uses this space to tell you what we have done during the past year. This year, though, it is as important to let you know how your contribution will be used during the next year.

The Regional Commission's agenda for next year is to insure that your community deals effectively with the dramatic changes we all face;- the reduction in federal financial support for local services; the reduced public support for increased taxes to pay for public services; the needs to replace roads, bridges, sewers, water systems; the decrease in household size but increase in number of households; the number of us in a family who work, the general age of the population, and where we are living. All effect the way we do - and the cost of doing - business, be it public or private.

To meet these changes the R R C will continue to expand its local services program. We will be the "country store" for local government - where you can get your questions answered, find the information you want, get the training you need.

- *We will help improve service delivery to town governments through consideration of a circuit rider program to share services of people with training in road design, zoning administration, and local management.
- *We will provide more assistance for local planning through Project Planning Grants to develop information on local housing, economic development and public facility needs and other programs to indentify local problems.
- *We will help develop non-traditional methods of financing services and programs such as cooperative purchasing. municipal mini-bonds and equipment sharing.
- *We will move to increase opportunities for training and information distribution such as Town Manager, Selectmen's roundtable, and more training programs.
- *We will work with you to get the federal and state governments to provide greater program flexibility so you can do your jobs more efficiently.

All our activities are based on the philosophy that its cheaper to do it together; that local governments can find new ways to do more with us.

TOWN OF CLARENDON

Regional Ambulance Service

Regional Ambulance Service, Inc., a non-profit corporation, has been serving the 35,000 people in the eleven member towns for the past six months, 24 hours a day, both on an emergency and non-emergency basis.

Your ambulance service, through the monies donated by many of the citizens and businesses in the community, has become a reality. These donations have provided for a headquarters-garage building, four fully equipt ambulances, one of which is a four wheel drive vehicle, which assures dependable service under all weather and road conditions, and a full communications system.

The eleven towns contributions to the R.A.S. operations budget for 1984 is \$4.59 per capita. Each town is equal in their representation to the R.A.S. board of directors and each person is served equally regardless of their ability to pay.

Regional Ambulance Service exists for the good of the public.

Board of Directors

Kay Neil

BENNINGTON-RUTLAND OPPORTUNITY COUNCIL

Annual Report to Town of Clarendon, 1983

The Bennington-Rutland Opportunity Council offers a wide range of programs with advocacy, counseling, self-help and community participation as the means of presenting alternative opportunities to people in order that they may achieve their personal goals.

The following programs and services were provided in your community -

OUTREACH SERVICES	14 Clients
COMMUNITY ORGANIZING	5 Clients
COMMODITIES DISTRIBUTIONS	61 Households
WEATHERIZATION	13 Homes

these services were provided at a total cost of \$19,956.56.

The Bennington-Rutland Opportunity Council must have local funds. We would appreciate your town supporting our continued operation with \$500.00

TOWN OF CLARENDON

Constable's Report

In 1983 the town Constables traveled a total of 906.2 miles on situations handled in the Town of Clarendon.

We have answered 94 calls and they are as follows:

Notice of property trespass	1
Animals killed or loose	24
Dog complaints	23
Vandalism of school property and B & E on other property	15
Routine patrol	6
Misc. calls from Vt. State Police assisting at auto accidents and fires	25
	<u>94</u>

Some new signs have been put up; a school bus stop sign on the hill by LenCatelliers home and signs indicating fire stations on Moulten Ave., Walker Mountain Road in Chippenhook and on the Airport Road at the Airport entrance.

Also, the cross road by the George Squires farm has been posted at 35 miles per hour. The speed limit on the Middle Road from the Clarendon Auto Body south to Route 7 has been changed from 40 miles per hour to 35 miles per hour.

We have had a total of 30 hours of training with the Rutland County Law Officers Association, which is an organization consisting of constables and special officers in Rutland County.

Respectfully submitted,

David J. Murray First Constable
Gilbert Baker Second Constable

TOWN OF CLARENDON

Recreation Committee Report

On December 1981 the Selectmen of Clarendon designated the Recreation Committee the responsibility of filing a preliminary application with the State of Vermont concerning the recreational use of the Town Land's near the Airport. This preliminary application pursued Federal and State funds under the Land and Water Conservation Fund.

The total estimated cost of the project is \$103,000.00 which will pay for two regulation ball-fields; a soccer field; picnic area; comfort station; water well; playground, engineering costs and parking area. The cost breakdown is as follows: where 50% of the cost is paid by the Federal LWF at \$51,500.00; the state pay 25% of the cost at \$25,700.00 and 25% to the Town at \$25,700. The Recreation Committee hopes to raise the local share by donation of equipment and labor with the balance raised by taxation and or Revenue Sharing Funds.

The action to be taken is to develop the land on the west-side of Old Rte 7-A, adjacent to the Rutland State Airport. This parcel of land is designated to accomplish the goal and needs to the Town of Clarendon; to supply a recreation area; to provide a program of recreation and facilities for year-round activities involving all the Clarendon residents.

The results of benefits expected are to provide an equal opportunity in recreation for the residents of Clarendon; to encourage community involvement; to unify the community; and to provide a well-rounded, co-ordinated and complete recreational program. This facility will be used by the Town to provide it with the needed areas for various recreation sports in the community.

In developing this facility, we the Clarendon Recreation Committee hope to utilize the talents of local contractors and small industries in the town, in hopes that they will donate materials and labor to reduce the cost of the town for this project.

Respectfully submitted,
Sue Schwaiger
Recreation Committee Chairperson

TOWN OF CLARENDON

Board of Listers

State aid to education is partially based on the Grand List of a town or city. A Newly passed law, by the Legislature, requires a Towns appraisal of all Taxable, Real and Personal property be appraised at 100%. If a towns Grand List is below 80%, that town will be penalized in the amount of State Aid received. The Town of Clarendon, was in a position, in 1984 of losing some State Aid, unless we reappraised or updated the Grand List, or were in the process of bringing our appraisals up to Fair Market Value.

In 1982 the Board of Listers started an updating of all properties in the Town of Clarendon, the project was completed in 1983.

Updating seemed to be least expensive way to accomplish the task of not being penalized on our State Aid.

The Grand List for 1984 will increase over one million dollars. The big increase will come from the completion of the new VELCO power line running thru the town.

Board of Listers,

Paul Shedd
Robert Neil
Clarence Connelly

SOUTHWESTERN VERMONT AREA AGENCY ON AGING and NUTRITION PROGRAM FOR THE ELDERLY

Annual Report

This year we plan to serve over 1000 meals to senior citizens in Clarendon. This number includes delivery of five meals a week to the homebound elderly.

Other services include transportation for essential needs and preventive health clinics offered monthly at the mealsite. Advocate assistance was given to 39 older residents of Clarendon who needed help with forms, information about available programs or intervention with service providers when problems occurred. This agency provides funding for the Legal Service Attorney for the Elderly and employs a Long Term Care Ombudsman. The latter assists persons with information about nursing and community care homes and acts as an advocate for residents in these facilities when problems occur.

If you would like more information regarding our services, you may contact our agency at 775-0486. If you have any questions concerning the meals program, you may contact Shirley St. John, the mealsite manager at 775-4756.

Respectfully submitted,
Douglas Hall
Nutrition Program Director

III SUPERINTENDENT'S REPORT

A. Enrollment:

The elementary school enrollment for the present school year (1983-84) is 289 students, an increase of 14 students over last year. This increase is the result of additional students at several grade levels, including several new tuition students at grade 5. We are projecting that the enrollment for 1984-85 will be approximately the same as this year. The number of Clarendon students attending Mill River has increased slightly over last year and we are projecting that this growth will continue at about the same rate.

B. Personnel:

There has been one addition to the Clarendon Elementary school teaching staff, Louise Kenney is teaching with Joan Lind at the fourth grade level. In our resource room we have a new aide, Patti Swinyer, who is assisting Lorraine Laviana. There have also been some changes in assignments. Diane Chartrand and Theresa Jakubowski have both moved from teacher aide positions to become supplemental reading teachers.

C. Curriculum:

We have just completed the first year with our new kindergarten program and we are pleased with the impact that it is having on our youngsters. It is providing an excellent opportunity in helping them make a smooth transition from the home environment to the school program. In other areas of the curriculum we are making improvements. We have reorganized the reading program in grades 1 & 2 to provide more direct reading instruction to all students.

C. Curriculum (Continued)

At most grade levels teachers are beginning to use the techniques of the "Vermont Writing Project" to teach writing skills to their students. District administrators have been working to develop a new program for the supervision of classroom instruction. When fully developed and implemented this program will help all teachers to focus on those elements of teaching which produce the greatest results in student performance.

D. School Building

We are planning to do some painting and other needed repairs to the elementary school building during the up-coming summer. We have included a \$3,000.00 item in the budget for this work and will be transferring money from the building sinking fund to cover these expenses.

E. Budget Analysis

There is a complete outline of the proposed budget for the 1984-85 school year included in the enclosed financial statements. This proposed budget has total elementary school expenditures of \$623,756.00 including the proposed \$5,000.00 for the building maintenance sinking fund. The major increases are:

New Teacher (Salary & Benefits)	\$20,600
Salary & Benefits	26,000
Building & Transportation	7,900
Other	8,400
TOTAL	\$62,900

F. State Aid

For the 1984-85 school year we have projected an increase in state aid of \$60,000 based upon level funding of the formula by the state legislature. If the legislature should appropriate significantly more money then it is possible that Clarendon would get an additional increase.

G. School Taxes

Listed below is a table showing the school taxes over the last several years. One of the reasons for the large fluctuation from year to year is the differences in the carryover of unexpended funds at the end of each year. A large carryover like we had at the end of 1982-83 is helpful except that when you don't have it the next year you must make up the difference in tax dollars.

	<u>1982-83</u>	<u>1983-84</u>	<u>1984-85</u>
Elementary Taxes	\$-10,699	\$-92,458	\$-96,678
Secondary Taxes (MR)	636,036	667,886	706,963
Total Taxes	\$625,337	\$575,428	\$610,285
